WHAT IS SHOOTERS?

☼ Well Shooters is a family buffet and it is for kids too.

WHY IS IT A SPECIAL PLACE?

✿ Well because that is when I won the lottery and that is why my cousins came to Illinois. They came from Kanas so then I had some sad memories like this one.

WHY IS THERE SAD MEMORIES.

✿ That is when my grandpa died that day. We had to bury him by my sister Justine. It was a sad day but hey, people can't live forever. It was a sad moment that day that is why Shooters is my special place.
